

**KITTITAS COUNTY HEALTH DEPARTMENT
COMMUNITY HEALTH SERVICES MANAGER**

\$3,120-\$4,118 per month

The Kittitas County Public Health Department seeks a self-directed, detail-oriented professional with strong communication skills, a bachelor's degree and prior experience in middle management in a clinical, community or public health setting to manage the Community Health Services division of a complex, changing organization. Position is responsible for a variety of programs and will take a leadership role in the bioterrorism/emergency response readiness of the department. Manager will participate in upper level management and contribute to an atmosphere of excellence and teamwork within the organization. Advanced PC skills (MS Word, Excel, Access, and Publisher) desired as well as experience in budgeting. Applications can be obtained from the Kittitas County Human Resources Office, 205 W 5th Room 107, Ellensburg, WA 98926 (509) 962-7082. Applications will be received until a suitable candidate is found. EOE.
